

## 2010 cookie booth bonus for troops

Cookie Booths not only add to troop proceeds, they're also a way for girls to gain added skills in their Cookie Program Activity. Many troops across River Valleys have embraced Cookie Booths as a part of their girls' participation in the annual program. Is it time for an exciting, new twist on your troop's Cookie Program Activity? Or, does your troop have a strong Cookie Booth tradition? Either way, River Valleys wants to recognize your participation with a special offer... the 2010 Cookie Booth Bonus!

- Troops that participate in one Cookie Booth (Council or Troop Arranged) receive two solar waterbottles. \* These waterbottles may be used in a variety of ways including: a gift for troop leaders, a "thank you" gift to two adults who volunteered their time to assist girls at Cookie Booths, or a token of appreciation for your troop cookie manager
- Troops that participate in three Cookie Booths (Council or Troop Arranged) receive a weather-proof, timeless Cookie Booth banner. \*
- Troops that conduct at least six Cookie Booths (Council or Troop Arranged) and requests as least 500 packages from a Cookie Cupboard will receive one Inspired by U beanie cap per girl participating. Troops can pick up their beanie caps at a River Valleys service center to wear at their Cookie Booths! Simply print from eBudde the troop Cookie Booth schedule indicating the six scheduled Cookie Booths and the Transactions tab showing the 500 packages pending or picked up from a Cookie Cupboard. All beanie caps must be requested by March 15.
